

Faith Formation

Registration
2020-2021

As with many things in our lives this year, Faith Formation will look a bit different. Due to the COVID pandemic, we sadly are unable to offer Catechesis of the Good Shepherd. We hope to bring that program back in the future. **Faith Formation this year will be offered for grades K— middle school.**

Parents are the first and foremost teachers of children, and this year, to keep our children and families as safe as possible, we are turning to parents to be their primary catechist.

We will be using the Gospel Weeklies again this year. We will gather as a group periodically to review what you have gone over as a family, and distribute work materials for the next unit. We are anticipating approximately 6 in-session classes. **These in-session classes will be mandatory to count as a year of religious education attended.** Sacramental Prep will have additional classes.

Class days or times have not yet been determined. The number of students signed up, the grade levels and information gathered here will determine class dates.

We will follow social distancing and mask requirement guidelines for all classes.
